

6th grade Elective Classes for 2009/2010

There are two elective periods (45 min each) which meet every day of the school year.

PE will alternate with Art for the fall semester and with Computer Keyboarding for the spring semester. In this way all 6th graders will have PE every other day for the school year as well as 9 weeks worth of Art and Computer Keyboarding. Classes will be scheduled by the faculty and students are separated by gender in their electives.

You are required to take a Performing Arts elective for the year. Band and Vocal Arts will be for the entire year. Band will meet EVERY day for the first 6 weeks. Then Vocal Arts will begin meeting 3 days per week with band for 2 until Catholic Schools week performance. Classes will likely then follow a 3 day band, 2 day vocal arts weekly but the band and vocal arts teachers reserve the right to determine this based on the needs of each for performances. Information about instruments or other needs for these classes will be given out as the year progresses.

This form is due by May 26.

I understand what electives will be provided for me.
