

## SAS Athlete's Code of Conduct!

Athlete's and Parents,

Please read and sign St. Anne's Code of Conduct for our athlete's. We want to have and demonstrate the highest degree of integrity!

As a St. Anne Athlete, I will be respectful, supportive, and speak positively of my coach and each member of my team. I understand it is important to participate in all the practices and games unless there is a conflict. I understand that it is a privilege to be on a St. Anne sports team and realize academics is important to my future endeavors, therefore will put forth my greatest effort, do and turn in homework, and seek help from my teacher if I fall below a 77% in any subject. It is understood that I represent St. Anne School as a member of an athletic team, therefore my words and actions will reflect positively for St. Anne School!
