Dear Parents,

Schoolwork Focus!!

With the second quarter of the school year beginning on Monday, 10/22, it provides the students with an opportunity for a 'new beginning' and parents the opportunity to "teach."

The '***slate is clean***' – it is time to start anew. Please encourage and help your students during this very busy time of the year (*Thanksgiving/Christmas breaks, school ceremonies/assemblies, basketball games, and field trips*) to stay focused on their ***academic classroom performance, homework, and projects***. It is not easy for students to maintain focus during this *hectic time* but it is a great opportunity for parents and teachers to teach "***organization and time management.***"

Traffic Safety!!

While uploading or loading your children please make sure your vehicle is in "PARK"! Thank you!
