

On Matters of Principal

October 25, 2007

Dear Parents,

Report Cards

Report Cards came home today!! If you wish, please schedule Teacher/Parent conferences for Monday, 11/5, on the calendars provided in the lobby starting Friday, 10/26.

Congratulations!!

Last Sunday, the Middle School students and members of the Faculty and staff walked the 10km Crop Walk at Winthrop University for the hungry and less fortunate in the community. St Anne School contributed over \$2,500. Great service!

Last Friday, the Coed Middle School Soccer team received the runner-up trophy in the Charlotte Gastonia AA tournament. More important were the comments that I received about the talent and sportsmanship exhibited by the St Anne players, coaches, and parents! This serves as a proud model for the greatness of St Anne.

It may have been lost in the communications but St Anne has two sixth graders who were South Carolina SCISA STATE SWIMMING CHAMPIONS (grades 5 through 12). St Anne is very proud of the gifts and talents of Taylor Barnes and Carley McAlister.

On Tuesday the Coed Cross Country finished 4th (1 point from 3rd place) in the season ending race of the Charlotte Gastonia AA. As a new team, the students continually improved all season. St Anne is very proud of their dedication, spirit, and work ethic.

MRSA & Flu Season – Washing Hands

With MRSA awareness and the upcoming flu season, St Anne will continue to emphasis the frequent washing of hands with our improved soap dispensers.
