

Dear Parents,

Please help make your student's transition into fifth grade a pleasant one. Please **LABEL ALL** sweaters, sweat shirts, jackets, PE uniforms, and lunch boxes at home. We will label all supplies listed below in class the first day of school.

Your student will require the following supplies for their year in fifth grade:

1 three ring binder - 1½ inch *(Please do not buy large zippered binders. We do not have desk room to keep them.)*

2 (only 2) pocket folders of different colors

Notebook paper packs for the binder *(Bring only 1 pack in to start the school year. Keep other packs at home until needed.)*

Notebook dividers with tabs *(1 package of 8 is enough)*

black erasable pens (Students will need a continuous supply of them through the year.)

red pens (3 at least)

2 highlighters

#2 pencils (Please do not bring pencils that require lead refills.)

package of colored pencils

package of colored markers

scissors

one 12 inch ruler that has both inches and centimeters

(Avoid the rubbery rulers. They tend to stretch and not be accurate.)

Two kinds of glue (both stick and bottle of white glue)

One large pencil pouch with a zipper

Art Shirt *(This should be a used shirt from home.)*

1 family size box of Kleenex *(Feel free to send in more if you can.)*

1 container of Clorox wipes

Please cover the following consumable books with contact paper: Religion and Spelling.

Hardcover books will need protective coverings using either brown grocery bags or glossy shopping bags cut and made into book covers. Book socks are not allowed. They destroy the binding of the books.

Please have all books covered by August 27th.
